# Rocky Ridge Ranch Rules

This is private property and you are a guest.  These rules help protect the grounds and facilities so that other guests will be able to enjoy Rocky Ridge Ranch for years to come.

Any guest violating the rules will not be allowed on the premises again.

## WHO CAN VISIT

1. No animals or pets are allowed unless they are documented service animals. Rocky Ridge Ranch is an active cattle ranch and absolutely no pets are allowed. Thank you for your help and understanding in this.
2. A minimum age of 12 is required for guests unless you have received prior authorization. Twelve year old children are invited to fish on the ranch but supervision is required. This is a working cattle ranch and young people are not allowed to roam unsupervised.
3. Non-fishing guests are permitted for a small fee.

## GENERAL PROPERTY RULES

4. Please treat the grounds and facilities with care so that they can stay beautiful for other visitors. Protect the natural vegetation in and around the lakes.
5. Please dispose of your own trash. Garbage cans are available on the property.
6. No powerboats, ATVs, or other vehicles are allowed on premises.
7. No firearms of any kind.
8. Because of high fire danger, there is no smoking allowed unless it is in a clearly marked, designated area.

## FISHING

9. No live bait, such as eggs or worms, is allowed.  Single hook, synthetic, barb-less flies are the only permissible bait.
10. Please use soft nylon nets with a catch and release frame.  Keep fish in the water when removing the fly.
11. Anglers must use adequate safety equipment (i.e. personal flotation devices and safety glasses).  It is the responsibility of the angler to be prepared and safe.
12. The lakes are for catch and release fly fishing only.  No other activities, including other types of fishing, are allowed on the lakes.
